Adoption Application

This questionnaire was designed to help us evaluate potential adopters. Critters 4 U Rescue Inc. wants to ensure that the adopting family feels they are able to handle the great responsibilities that come with adopting an animal. Pet adoptions can place physical, mental, and financial burdens on a household and we want to be sure that your family understands and is prepared to deal with these extremely important issues. Adoption is **not** first come-first serve. We adopt our animals to the **best home** based on the information you provide.

Please fill in all information --- failing to do so, slows the adoption process. Thank you!
